

SW 900

INCREASING PRODUCTIVITY  
THROUGH IMPROVED PERFORMANCE  
AND ERGONOMICS

# TOTAL CLEANING CONTROL

IMPROVED  
ERGONOMICS EASY  
EMPTY HOPPER ON  
WHEELS.

The Nilfisk SW900 walk-behind sweeper for both indoor and outdoor use offers the dust free removal of dry debris. It will increase productivity with several valuable new benefits including, total control from the operator position, improved ergonomics with the hopper on wheels and a higher cleaning performance. This is an ideal sweeper for cleaning contractors, industry, manufacturing, schools, warehouses, hotels and exhibition centres.

## **Total control from operator position**

- All parameters can be adjusted from the operator position.
- More comfortable to manoeuvre with new ergonomic handlebar.
- New traction lever is integrated into the handlebar making it easier to adjust the machine speed.

## **Improved ergonomics**

- New 60 litre hopper design is easily removed from the machine
- Wheeled hopper ensures safe transportation to the place of disposal.

## **Higher cleaning performance and productivity**

- New side broom control on the handlebar for fast, accurate sweeping:
- Automatic on/off when side broom is lowered/raised.
- New electric shaker system for quick and effective filter cleaning

Removes even the smallest particles – also on carpeted areas.

Convenient transportation and storage: Handlebar is completely foldable.

Good hygiene: The hands of user only need to touch clean parts of the hopper when dumping debris.

Quick maintenance: Broom change, and other maintenance tasks, can be carried out without tools.

The battery version of Nilfisk SW900, for indoor and outdoor sweeping, has an onboard charger as standard.

# RELIABILITY IS ALSO OUR MANTRA WHEN IT COMES TO SERVICE

A Nilfisk machine functions optimally when cared for by regular service and maintenance visits. Therefore we have created the optimal service solution: four levels of service reflecting different requirements.

## SERVICE OPTIONS

### Full Service + Contract

Labour  
Travel  
Spares (not consumables)  
Wear parts  
4 visits (min)  
24 hour response time

### Full Service Contract

labour  
Travel  
Spares (not consumables)  
4 visits (min)  
24 our response time

### Standard Contract

Labour  
Travel  
2 visits (min)  
48 hour response time

### Bespoke Contracts

Individually tailored for specific markets eg contract cleaning.

All electrical motors are protected with circuit breakers to minimise service costs

Safety switch de-activates the machine when the hopper is removed

The machine can be equipped with non-marking skirts for sweeping carpets or very sensitive floors

Adjustable handle for ergonomic and easy storage

The cover includes holders for cans, bottles and other objects

Large wheels and balanced weight make manoeuvring easy

The main broom and side broom are fully adjustable to ensure correct pressure at all times

## TECHNICAL SPECIFICATIONS

Description	Unit	SW900 Battery	SW900 Petrol
Motor power source		Battery	Petrol
Sound pressure level	dB(A)	70	78
Productivity rate theoretical/ actual (main broom)	m <sup>2</sup> /h	2700/1620	2700/1620
Productivity rate theoretical/ actual (one sidebroom)	m <sup>2</sup> /h	3715/2230	3715/2230
Productivity rate theoretical/ actual (two sidebrooms)	m <sup>2</sup> /h	4725/2835	4725/2835
Side broom diameter	mm	315	315
Working width (mainbroom only)	mm	600	600
Working width (w/1 sidebroom)	mm	825	825
Working width (w/2 sidebrooms)	mm	1050	1050
Max climbing rate	%	20	20
Max. speed	km/h	4.5	4.5
Hopper volume	l	60	60
Main filter area	m <sup>2</sup>	1.9	1.9
Length x width x height	mm	1390x950x1100	1390x950x1100
Net weight	kg	82	88
Operating weight	kg	143	88.5
Part number		41600680	9084111010
