Designed and built to the high standards of the carpet cleaning professional.

Wider cleaning path

Unique cleaning action - now in half the time!

Removes dirt and stains from upholstery

One-button operation

Comes with the universal hand tool and 12 foot hose attachment in a convenient storage bag. Lets you clean stairs, upholstery and car interiors.

Extra large sized solution and recovery tanks mean fewer refills

Wide Track machine is only 4"/102mm higher than the MightyPro - making it still easy to store

Larger wheels increase manoeuvrability allowing the Wide Track machine to move smoothly and easily over the carpet

Wider brush and vacuum path provides faster one pass cleaning
