

The **GUMBUSTERS** range

Gum Removal...easy as 1,2,3!

- **GumBusters GB Compact - M6073**
- The compact version of the world's first battery powered dry steam based, gum removal system
- Proudly designed in the UK - Excellent German build quality
- Operated by a single 12 volt battery - can be safely operated in any weather conditions
- Tough & robust stainless steel body—for easy use in confined spaces
- Completely silent operation—can be easily used for day time cleaning
- One full charge provides up to an hour of continuous operation
- Busts gum for less than £2.50 per hour
- The smallest, most cost effective, fit for purpose unit on the market!
